DENON 100+ YEARS “LEGACY OF FIRSTS” IN AUDIO TECHNOLOGY

www.denon.com.au

Rich, Immersive Home Theatre Sound

With an array of performance-tuned drivers, Dolby TrueHD and DTS-HD Master Audio surround sound decoding, you'll experience immersive, room-filling home theatre sound for your movies, TV shows and gaming.

4K HDMI with ARC support

Four HDMI inputs support 4K Ultra HD pass through, HDCP 2.2, HDR and Dolby Vision, plus ARC support, for an unmatched expansive entertainment experience.

Exceptional Denon Sound Design

Six channels of high efficiency, cool-running Class D digital amplification are tuned to deliver a pure, detailed sound from any audio source. With almost 110 years of experience, Denon is a renowned expert in audio reproduction and a highly-awarded home theatre expert.

Bluetooth Music Streaming

Connect and play music directly from your smartphone, tablet, or other compatible device.

Wireless Music Streaming with HEOS Built-in

Stream your favourite music wirelessly with HEOS Built-in technology. Experience wireless, whole-home audio through the free HEOS app available for iOS and Android. With additional AV receivers, systems, soundbars and speakers with HEOS Built-in, you can choose to play the same song everywhere or select different songs for each connected room. The capability to play music from Spotify Premium and free, Amazon Music, TIDAL, TuneIn Internet Radio, SoundCloud, Napster, Deezer or your local music file libraries is built in and ready to enjoy.

Works with Amazon Alexa

Simply activate the free HEOS Home Entertainment Skill and go hands-free with Amazon Alexa and your voice. Say the word and the DHT-S716H sound bar will adjust the volume, skip to the next track, and more. Requires Alexa app and Amazon Echo, Dot or equivalent.

Supports all Major Audio Formats

Supports the most demanding high-quality audio and high-resolution audio formats, including DSD (2.8, 5.6 MHz), FLAC, WAV, ALAC (192/24), MP3, WMA and AAC file playback (via USB or Network).

Low-Profile Design

At just under 3" tall, the Denon DHT-S716H fits most spaces and can be placed in front of your TV without blocking its bottom edge or IR remote sensor. It's also easy to wall mount with the included mounting template.

Quick Selects

Six Quick Select buttons can be programmed for easy access your favourite functions and radio stations.

Optional DSW-1H subwoofer and surround speakers

Add a the wireless Denon DSW-1H subwoofer and surround speakers with HEOS Built-in to the 3 channel DHT-S716H, and create a full 5.1 surround environment.
