HEOS®

HEOS AVR

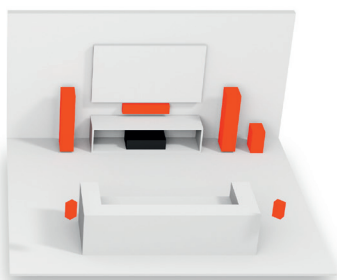

SURROUND YOURSELF WITH SOUND, NOT WIRES.

The first of its kind 5.1-channel AV receiver to drive your favorite speakers and any HEOS wireless speaker as surround channels. Farewell to black boxes and complicated wiring! The stylish HEOS AVR revolutionizes the AV receiver, combining wireless flexibility, superb performance and groundbreaking industrial design.

2.1 speaker setup

5.1 speaker setup

MIX AND MATCH FOR DIFFERENT SETUPS.

The HEOS AVR drives even demanding speakers in a 2.0 setting for a class-leading sound experience. In combination with the wireless HEOS Subwoofer you can easily create a 2.1 setup to literally shake your world with music and movies. Add a wired center for a 3.1 system to get the clearest dialogues. While with any pair of wireless HEOS speakers, you're up for a full cinematic 5.1 surround sound without wires throughout the room.

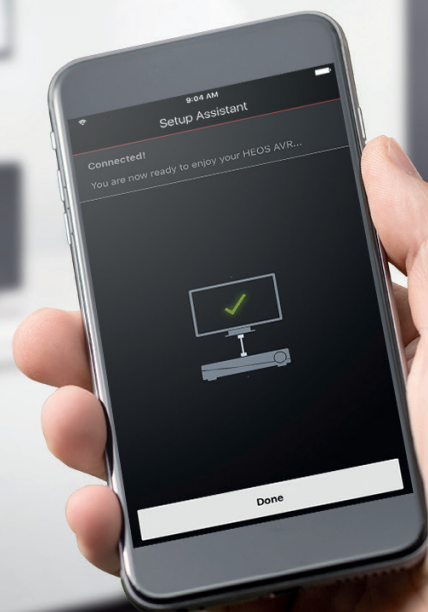

READY FOR 4K ULTRA HD.

No doubt that the HEOS AVR is also completely future-proof with the latest HDMI standards. Four HDMI 2.0a/HDCP 2.2 inputs make sure that you can enjoy your movies in 4K Ultra HD. Regarding sound, you can count on Dolby TrueHD, DTS-HD Master Audio.

Main functions ready at hand with the included remote control.

PERFECT SOUND MADE SIMPLE.

Have it all at your fingertips with the intuitive HEOS App. Setup and operation are easy as can be. Just connect the HEOS AVR and your TV with a single cable, get the HEOS App and follow the instructions. Within minutes the HEOS AVR is ready to receive. Control all your sound easily via the app or command the HEOS AVR with the remote of your TV. Play your personal music collection throughout the whole HEOS ecosystem, even in high-resolution.
