3D surround sound with Dolby Atmos® and MultiBeam™

Immerse yourself in your favorite music, movies and games with Dolby Atmos® and MultiBeam™ from a beautifully crafted soundbar. Up-firing height channels create a multi-dimensional surround sound experience and MultiBeam™ technology creates a wider soundstage all around you.

Smart dialogue enhancement with Harman PureVoice technology

PureVoice ensures that speech is crystal-clear at any volume, so you can enjoy thunderous action or quiet dramas and still hear the dialogue.

All-in-one sound system

Harman Kardon's world-class audio design ensures the Citation MultiBeam 1100 soundbar delivers deep, rich bass and thrilling acoustic effects from a single elegant unit with no additional components required.

Sound calibration

The Citation MultiBeam 1100 will sound its best in any room you place it. Whether mounted on a wall or placed on a shelf, sound calibration balances the audio tuning and 3D surround sound effect for a natural, accurate impression at the sweet spot.

Distinguished design

Crafted from quality materials, the signature Harman Kardon aesthetic is evident in every element of design, from Kvadrat fabric made from real wool to striking metallic details. With its timeless design, the Citation MultiBeam 1100 will blend seamlessly with any style of television and complement your home decor.

AirPlay, Alexa Multi-Room Music (MRM) and Chromecast built-in™

Relax, energize, explore. Harman Kardon Citation MultiBeam 1100 gives you access to over 300 online music streaming services through AirPlay, Alexa MRM and Chromecast built-in™. Enjoy all of your favorite audio content, Internet radio, podcasts and multiroom listening in stunning high-definition.

Wireless Bluetooth™ streaming

Remember, the Citation MultiBeam 1100's spectacular sound isn't just for movies. Hear your music like never before with convenient wireless streaming from all your Bluetooth devices.

HDMI eARC

The Citation MultiBeam 1100 is compatible with the latest televisions on the market, providing a direct connection for the highest-quality, uncompressed Dolby Atmos surround sound content.

Ultra HD 4K pass-through with Dolby Vision™

Get the best possible visual quality with compatible media sources and streaming services. Simply connect via the HDMI input on the connection panel.

Multi-functional LCD touch display

The luminous LCD touch display ensures a seamless user experience, from the intuitive setup to seeing what's playing at a glance. All your media is at your fingertips.

Ready for multi-channel surround sound

Why stop at perfection? Treat yourself to additional Citation components like the Sub or Sub S subwoofers for thundering bass, and the Surround speakers to create up to a 5.1.2 channel system.
