Hey Google

Beautiful Sound That Speaks To You

Elegant, dynamic and powerful. The Harman Kardon Citation MultiBeam™ 700 delivers full surround sound to your TV without the need for extra speakers and wires. As a standalone soundbar, it projects rich audio to every corner of the room. When paired with the rest of the Citation range, the Citation MultiBeam™ 700 can also operate as a center channel to create the ultimate home theater setup for full, detailed surround sound. Enjoy more than 300 music streaming services with the convenience of AirPlay and Chromecast built-in™. Plus, with Google Assistant, you can play your favorite music, control volume and get information about the song that you are listening to, hands-free. You can also plan your day, set alarms and control smart devices around your home – just by using your voice. Experience beautiful sound, no matter how you listen.

Distinguished design

Harman Kardon Citation MultiBeam™ 700 blends home audio innovation with sophisticated design. Its premium blended wool fabric, made by Kvadrat, is dirt repellent and flame retardant.

Superior sound and sophistication

The first truly premium product of its kind, the Harman Kardon Citation MultiBeam™ 700 is the ultimate in state-of-the-art audio from Harman Kardon, the world's foremost purveyor of high fidelity audio products for over 65 years.

Your music everywhere

Let your home resonate with a single soundtrack, or play different music in each room. Simply add additional Citation speakers to your Harman Kardon Citation MultiBeam™ 700 to create a complete home audio experience you control from your tablet or smartphone.

MultiBeam™ Surround Sound

Get a room-filling surround sound effect without the need for extra speakers and wires. MultiBeam™ technology creates a wider soundstage, so you'll hear every audio detail in your favorite music, movies, TV series and games.

Get hands-free help with Google

Google Assistant brings convenient voice control to your Harman Kardon Citation MultiBeam™ 700 soundbar. Just say "Hey Google" to ask your Google Assistant to play your favorite songs, and get easy access to all your music.

Wireless cinematic surround sound

Get a rich surround sound effect with the convenience of a single soundbar. Or create a full 5.1 home theater system with WISA technology for the ultimate true surround sound experience by adding a pair of Harman Kardon Citation Surround speakers, a Harman Kardon Citation Sub S or pair of Harman Kardon Citation Tower speakers.

Access more than 300 music streaming services

Relax, energize, explore. Harman Kardon Citation MultiBeam™ 700 gives you access to over 300 music streaming services through Chromecast built-in. Enjoy all of your favorite audio content, Internet radio and podcasts in stunning high-definition.

Enjoy your Apple Music with AirPlay

Discover new artists and access your favorite playlists from Apple Music with AirPlay. Use the iPhone app to choose your soundtrack and set the mood anywhere in your home.

Ready for multi-channel surround sound

Add a Harman Kardon Citation Sub S to infuse your home theater with a grounding layer of deep, rich bass and combine with the Harman Kardon Citation Surround and Harman Kardon Citation Tower speakers for the ultimate multi-channel surround sound experience.

Plug and play

With its HDMI ARC and optical ports, Harman Kardon Citation MultiBeam™ 700 can integrate with almost any TV, including the newest and most technologically advanced 4K televisions.

Privacy please

Be in control of how you connect and what you share. Harman Kardon Citation's microphones are easily switched on or off, providing security and privacy as you require. Multicolored LED indicators allow you to quickly check the current state of microphones.

Always up to date

Effortlessly keep your features and services up to date. Software updates and upgrades automatically download and install to your system. Maintaining state-of-the-art home audio has never been easier.

Simple setup with Google Home

With the free Google Home app for iOS and Android, you can easily set up and manage all of your Harman Kardon Citation speakers. All speakers support both 2.4GHz and 5GHz Wi-Fi connections.

Beautiful, intuitive controls

Harman Kardon Citation's LCD color display is as attractive as it is intuitive. Control your music with just the touch of your finger, or go deeper to get complimentary information from your audio content.

Wireless Bluetooth® streaming

Harman Kardon Citation makes it easy to wirelessly stream audio from your smartphone or tablet via Bluetooth®, allowing you to turn Internet audio into an immersive musical experience.

Easy access to all your favorites

The colorful preset display icons on the Harman Kardon Citation MultiBeam™ 700 make it easy to instantly access your favorite music playlists, and control all of your smart home devices.
