### Portable elegance meets versatile functionality

Prepare to travel in a completely different way. The Harman Kardon Esquire is your new, on-the-road, wireless audio system. The Esquire is a Bluetooth®-enabled speaker with a built-in conference phone system that redefines how you carry your music. This durable, portable speaker is crafted out of fine materials. A rich leather panel and metal finish make the outside. Inside, it's pure Harman Kardon engineering. Dual drivers and a built-in bass port ensure clear sound. The custom-tuned microphones and noise cancellation technology helps in connecting conference calls, with superior clarity, from your Bluetooth®-enabled smartphone. Top performance and outstanding design - this exquisite, portable speaker from Harman Kardon is substance and style. It looks as good as it sounds.

### FEATURES

- ▶ Portable, conference phone system
- ▶ Hi-fi Harman Kardon sound
- ▶ Wireless Bluetooth® connectivity
- ▶ Battery-powered portability
- ▶ Portable, dual-microphone system
- ▶ Smart orientation detection

## Key features

### Portable, conference phone system

Whether conferencing with one other person or with a group, this portable, dual-microphone system delivers quality sound and reliable connections no matter where you are. And, with smart orientation detection, you can place the Esquire vertically for 1-to-1 discussion or horizontally for group conference.

### Hi-Fi Harman Kardon sound

This 2-way speaker system with built-in bass port helps the Esquire punch above its weight. Clear, crisp highs and bright mid-range clarity make every voice sound as if it was in the room, while its extra-low bass frequencies give Esquire a balanced soundstage.

### Wireless Bluetooth<sup>®</sup> connectivity

No wires, no cables – just wireless. Enjoy easy Bluetooth<sup>®</sup> set-up via NFC and clear, Bluetooth<sup>®</sup> streaming. Once you connect your music from your smart phone or tablet, center stage is yours.

### Battery-powered portability

No power? No problem. Esquire's built-in battery provides up to 10 hours of music and conference-calling time. Charge it up and you're on-the-go, with its 3-port USB adapter allowing you to charge all your devices with one plug.

### Stylish and ruggedly handsome

No matter how you approach it, the Harman Kardon Esquire is one good-looking accessory that makes a difference to your busy lifestyle. Designed to go with you, its striking appearance – in aluminum and leather – it sounds as good as it looks.
