

Arena 180

2-way Dual 7" (178mm) Floorstanding Loudspeaker

AVAILABLE AT
DIGITAL CINEMA

Black

White

A loudspeaker with hard-hitting woofers – at a low-impact price.

JBL engineers have pioneered the art of bringing world-class sound to audiences for decades. Now, with the Arena 180 floorstanding loudspeaker, they've brought the same amazing experience to your home at a price that won't burn a hole in your wallet. The Arena 180's High Definition Imaging (HDI) waveguide and 1-inch (25mm) soft dome tweeter, along with two 7" (178mm) polycellulose woofers provide the accurate sound intended by top artists and engineers. Inspired by JBL's own M2 Master Reference Monitor, considered by many to be the world's finest studio monitor, the Arena 180 is a win-win for both legacy and affordability.

Features

- ▶ Inspired by JBL's legendary M2 Master Reference Monitor
- ▶ Signature JBL loudspeaker performance
- ▶ Understated, contemporary look and feel
- ▶ An audio powerhouse at an affordable price
- ▶ Just one part of an even more powerful system

Arena 180

2-way Dual 7" (178mm) Floorstanding Loudspeaker

Black

White

Inspired by JBL's legendary M2 Master Reference Monitor

High Definition Imaging (HDI) waveguide technology takes its cues from the legendary JBL M2 Master Reference Monitor. Computer-optimized driver positioning and network integration result in ideal performance and lifelike soundstage imaging. Proven acoustic superiority through rigorous testing and real-world evaluation.

Signature JBL loudspeaker performance

Two 7-inch (178mm) high-output polycellulose woofers operate in conjunction with a rear-firing tuned bass port, delivering accurate sound worthy of a standing ovation. 1-inch (25mm) soft dome tweeter provides clean, powerful highs. Tight, extended bass response optimized for show-stopping listening, whether for movies, TV, music or console gaming.

Understated, contemporary look and feel

Contemporary cabinet shape with angled side and top panels provide a sophisticated, modern look. Soft-touch paint around the transducers and on the waveguide. Available in black and white finishes with minimalist grilles and brushed metal trims.

An audio powerhouse at an affordable price

The perfect trifecta of JBL power, precision, and affordable pricing.

Just one part of an even more powerful system
