8.5CS-T

The Jamo 8.5CS-T is a 2-way in-ceiling speaker, part of our popular Contractor Series, which consists of versatile, quality speakers at highly competitive prices.

The 8.5CS-T offers great all-round qualities, and is the ideal choice wherever background music

is desired. A Polypropylene woofer and Mylar tweeter make this speaker applicable for occasionally damp areas, such as garages.

With 70/100 volt multi-taps and 8 ohm/70/100 V switchability. The 8.5CS-T is a versatile speaker for home or commercial use.
