The IC 408 LCR is an in-ceiling companion to the versatile inwall IW 425 LCR loudspeaker. The midrange and tweeter on the IC 408 LCR are angled, so that the sound reproduction is optimised for the listening position in the room. IC 408 LCR in-ceiling loudspeakers deliver a big movie experience, as they concentrate the sound around the listener and ensure you are always in the centre of the action!
