

GiG

**GO ANYWHERE WITH LEGENDARY SOUND**

The Klipsch GiG is an ultra-portable wireless music system small enough to fit into a briefcase, a backpack, or even the palm of your hand. Yet, its full-range sound is what is truly astounding. Applying our 65 years+ experience as a major manufacturer of premium quality loudspeakers to the smallest of the Klipsch Music Center series, Gig is the state-of-the-art choice in its class. Dual 1" full range drivers are complimented with balanced, dual 2" passive radiators for rich, musical bass. Advanced DSP equalization provides lifelike, dynamic sound at any volume level.

HIGH-QUALITY WIRELESS MUSIC PLAYBACK AND SPEAKERPHONE IN ONE

Easy music streaming with *Bluetooth*[®] wireless technology at the highest sound quality with AptX[®] audio coding. Wave your NFC equipped music source over GiG for instant device pairing. Connect almost any other music source to its 3.5mm input jack. The speakerphone features a high quality microphone for clear conversation plus you can transfer, terminate, ignore and even voice dial your calls.

ONE BUTTON DOES IT ALL

Everyday control of GiG is handled using a unique, simple multifunctional button and applying a twist to the right or left. Atop the button is an illuminated battery charge/usage indicator so you always know where you stand.

WORLDWIDE ADAPTABILITY, ALL DAY PORTABILITY

International power adapters are included for AC operation wherever you land while a built-in, rechargeable, Lithium-Ion battery provides an industry-best 12 hours play time.

MAKE IT YOUR OWN

A distinctive, removable wrap-around band that doubles as both a style statement and as protection is included and additional vibrant color options are available on Klipsch.com and select retailers. With multiple band offerings you can change yours out to match your look or your mood.

Our strong partnership with Live Nation Entertainment, the world's leading live entertainment company, has inspired a line of wireless music systems. The Klipsch Music Center Series is named after one of the five most ticketed live music venues in the world.
