## POWER PLAYER – SOUND THAT PACKS A PUNCH

The R-15PM powered monitors deliver room-filling sound without taking up much space. This highly efficient, powerful yet minimalist speaker engulfs listeners in their favorite movies and music.

## DESIGNED FOR SIMPLE SET UP WITH YOUR TURNTABLE, TELEVISION, COMPUTER OR WIRELESS DEVICE

With an integrated phono pre-amp, Bluetooth<sup>®</sup> wireless technology, digital optical, analog RCA and USB inputs, your R-15PM is the best performing, most versatile monitor on the planet.

## HIGH EFFICIENCY AMPLIFICATION

Forget the expense, clutter and hassle of an external A/V receiver. The R-15PM monitors incorporate individual ultra-low noise amplifiers custom designed to maximize system performance and eliminate the need for external amplification.

## FULL FEATURED IR REMOTE

Allows easy access to system features such as dedicated source selection, track controls, and play/pause.

## SYSTEM EXPANDABILITY

Seamlessly add a subwoofer to enhance low frequencies even further.
