Move

The durable, battery-powered smart speaker for outdoor and indoor listening.

SONOS

Get brilliant sound anywhere with the weatherproof and drop-resistant Move. Control with your voice, the Sonos app, and Apple AirPlay 2 at home, and stream via Bluetooth when WiFi isn't available.

Great sound in the great outdoors

Experience surprisingly deep bass, a wide soundscape, and automatic Trueplay™ tuning that perfectly balances the sound for where you are and what you're listening to.

Ultra durable

Never worry about accidental drops or unexpected weather. With a tough durable shell and IP56 rating, Move is built to withstand falls, bumps, moisture, dust, UV rays, and extreme temperatures.

10 hours of play

Enjoy a whole day of brilliant sound. Easily recharge Move

by setting it on the included base, or get power on the go with the USB-C travel charger.

WiFi at home, Bluetooth everywhere else

Stream over WiFi and connect Move to the rest of your Sonos system at home. Switch to Bluetooth when you're away and offline.

Voice control

The Google Assistant and Amazon Alexa are built right in so on WiFi you can play music, check news, set alarms, get your questions answered, and more, completely hands free.

Tech Specs
